The Official Norwegian Report on cultural policy (NOU 2013:4) was compiled by a committee appointed by the Government in spring 2011 to review Norwegian cultural policy since 2005. The committee presented its report, Cultural Policy 2014, on 4 March 2013. In the report the committee assessed the relevance of the national cultural policy objectives and reviewed and evaluated the policy measures and instruments implemented at the central and local government levels during the period since 2005. It also identified today's most important cultural challenges and on this basis made proposals for a new cultural policy.
